

6 Inches x 7.5 Inches

6 Inches x 7.5 Inches

Clutch Pattern Instructions

1. Tape the pattern pieces together matching the triangles
2. Cut around the pattern piece
3. Cut 4 pieces
 - a. 2 pieces for the top
 - b. 2 pieces for the bottom
4. Sew 1 top piece and 1 bottom piece top together using 5/8 inch seam allowance
5. Top stitch the pieces once they are sewn together
 - a. Repeat steps 4-5 for the other top and bottom pieces
6. Once pieces are sewn together and top stitched, use that piece to cut your lining fabric
 - a. Cut 2 pieces for the lining
7. Working with 1 side of the main clutch and 1 side of the lining, place the zipper with the zipper tab facing the print side of the clutch. Then place the lining on top of the zipper sandwiching the 2 pieces together using wonder clips or pins
8. Using a zipper foot sew all pieces together
9. Turn both pattern pieces towards each other so that the free side of the zipper is showing then top stitch the two pieces
10. Repeat steps 7-9 with the other clutch piece and lining piece
11. Once all pieces are attached, open the zipper about halfway
12. Turn the 2 main clutch pieces right sides facing and the 2 lining pieces right sides facing
13. Clip around the bag leaving a 6 inch opening at the bottom of the lining
14. Sew around the bag using 5/8 inch, back stitching at the beginning and the end.
 - a. Don't forget to leave about a 6 inch opening in the bottom of the lining
15. Place your hand in the opening you left in the lining and turn the bag inside out and pushing the corners with a point turner or your finger
16. Last step is to edge stitch the opening at the bottom of the lining and then push the lining inside of the bag
